SKILLS

Languages: Java, C, HTML/CSS, JavaScript, Kotlin , PHP
Frameworks: NodeJS, ReactJS, ExpressJS, XML, Laravel
Operating Systems: Linux, Windows, Mac
Databases: MySQL, MongoDB
Tools/Platforms: MySQL, MongoDB, Android Studio, GitHub, VS Code
Soft Skills: Problem-Solving Skills, Team Player, Project Management, Adaptability, Active Listener

TRAINING

Fifth Force Mar 2024 - May 2024
Android App Development using Kotlin

- Completed a course on Android App Development using Kotlin, covering **UI design, Intents, activity lifecycle, and state management**.
- Build a **To-Do List app** featuring **task addition, editing, completion marking, and deletion** using **Recycler View**.
- Gained hands-on experience in Android development best practices, UI optimization, and app functionality improvements.

PROJECTS

Web Tech Solution Platform Oct 2024 - Nov 2024

- Developed a **dynamic web platform** with customizable templates, **Razorpay payment integration**, and optimized hardware resource utilization for enhanced efficiency.
- Designed a **dedicated checkout page** with **form validation, error handling**, and real-time transaction updates, improving user experience and payment reliability.
- Built with **HTML, CSS(Bootstrap), and JavaScript**, ensuring high performance and scalability.

Rapid Response Aug 2024 - Sept 2024

- Engineered an **e-taxi booking platform** featuring real-time map integration, secure user authentication, and seamless ride booking capabilities.
- Enabled users to choose their **preferred route for travel**, providing a personalized and flexible ride experience.
- Built with **HTML, CSS, JavaScript, PHP, and MySQL**, it leverages the **Map My India API** for **accurate location services**.

Smart City Website Aug 2022 - Nov 2022

- Established a central digital hub providing residents, businesses, and visitors with essential city services, infrastructure insights, and **urban development updates**.
- Built with **HTML and CSS**, it features a dynamic homepage, **smart city initiatives, service access, and urban planning details**.
- Hosted and managed the project on **GitHub**, ensuring version control and seamless collaboration.
